

Mission: Lifeline STEMI and Acute Stroke Conference

June 14, 2012

7:30 a.m. - 4:30 p.m.

**Seven Seas Hotel & Waterpark
2611 Old Red Trail
Mandan, ND**

Presented by:

**American
Heart
Association®**

**MISSION:
LIFELINE®**

**NORTH DAKOTA
DEPARTMENT of HEALTH**

North Dakota
Stroke System of Care
*Enhancing stroke care.
Improving outcomes.*

Online registration is now open!

TARGET AUDIENCE

- **Cardiologists**
- **Neurologists**
- **Cardiovascular and/or Cerebrovascular Leadership**
- **Emergency Physicians**
- **STEMI and/or Stroke Coordinators**
- **EMS Regional Leadership & Medical Directors**
- **Others interested in improving emergency heart and stroke care**

LEARNING OBJECTIVES

1. Increase understanding of tPA usage, including the primary contraindications and side effects to help improve usage in the rural hospitals.
2. Increase awareness of STEMI systems of care and work to initiate conversations with receiving hospitals/EMS providers to build a STEMI system of care within the region.
3. Develop knowledge of 12L ECG with transmission and how it can assist the rural and urban hospital physicians in diagnosing STEMI patients prehospital.
4. Develop knowledge of best practices strategies for stroke and STEMI care.
5. Develop knowledge on strategies to utilize data collected via the ACTION and STROKE GWTG registries to improve STEMI and stroke systems of care.
6. Gain knowledge of signs and symptoms of chest pain and neurological deficits.
7. Understand importance of developing STEMI and stroke systems of care to improve patient outcomes in urban and rural areas.
8. Learn opportunities for collaboration to improve myocardial infarction and stroke outcomes by decreasing time to reperfusion through lytic administration and PCI.
9. Gain AHA guideline and science knowledge related to symptom recognition, latest reperfusion strategies, AHA/ACC STEMI updates, and secondary prevention strategies currently promoted to treat STEMI patients.

AGENDA

7:30 a.m. - 8:00 a.m. Registration/Breakfast

8:00 a.m. - 8:10 a.m. Welcome and Introductions

Mindy Cook, RN, BSN

ND Mission: Lifeline Director, *AHA*

Susan Mormann, BA

Systems Strategy Specialist / CDC Grant Program Manager

North Dakota Department of Health

8:10 a.m. - 8:30 a.m.

ND Mission: Lifeline Co-Chairs Address

Dr. Jeffrey Sather

Trinity Hospital

Dr. Thomas Haldis

Sanford Health Heart Hospital

8:30 a.m. - 9:15 a.m.

Heroes and Angels

Clayton Berger, STEMI Survivor

9:15 a.m. - 10:00 a.m.

Breakout Sessions

Time	EMS (STEMI)	Hospital (Stroke)
9:15 a.m. - 10:00 a.m.	Session I Mission: Lifeline South Dakota: EMS Project Insight Travis Spier, NREMT-P, RN <i>Sanford Health</i>	Session I Reperfusion Strategies for Acute Ischemic Stroke Dr. Shiraz Hyder <i>St. Alexius Medical Center</i>
9:15 a.m. - 10:00 a.m.	Session II Symptoms of Chest Pain and EMS Role in Prehospital 12 Lead ECG Transmission Dr. Jeffrey Sather, FACEP Department of Medicine Medical Director <i>Trinity Hospital</i>	Session II Stroke System of Care: Developing a North Dakota Stroke Protocol Jolene Engelhart, MSN, FNP-C <i>St. Alexius Medical Center</i>

10:00 a.m. - 10:15 a.m. Break

AGENDA

10:15 a.m. - 11:30 a.m. Breakout Sessions

Time	EMS (STEMI)	Hospital (Stroke)
10:15 a.m. - 11:00 a.m.	Mission: Lifeline ND EMS 12 Lead Education Curriculum Skills Learning Lab: ND EMS 12 Lead Education: Hands-on Practice Session 1 Carolyn Ballard, EMT-P <i>Community Ambulance Service, Inc.</i> Dr. Jeffrey Sather, FACEP, Medical Director Department of Medicine <i>Trinity Hospital</i>	Session I Feedback Fridays: Optimizing Stroke Quality Improvement Jerilyn Alexander, RN, BSN <i>Trinity Hospital</i>
11:00 a.m. - 11:30 a.m.	Session continued Skills Learning Lab: EMS Assessment and 12 Lead: Hands-on Practice Session II Carolyn Ballard, EMT-P <i>Community Ambulance Service, Inc.</i> Dr. Jeffrey Sather, FACEP, Medical Director Department of Medicine <i>Trinity Hospital</i>	Session II Stroke GWTG Registry Reporting Capabilities: Utilizing Reports for QI Greg Poe, MHA, CPHQ <i>American Heart Association</i>

11:30 a.m. - 12:30 p.m. **Keynote Speaker: Dr. David R. Burt**
 Director, UVA Chest Pain Center
 Department of Emergency Medicine
University of Virginia

(Lunch)

STEMI 2012 State of the Nation: Optimizing STEMI Care in a Rural Environment

AGENDA

12:30 p.m. - 2:15 p.m. Breakout Sessions

Time	EMS (Stroke)	Hospital (STEMI)
12:30 p.m. - 1:15 p.m.	Session 1 EMS Role in Stroke Assessment: State Stroke Assessment Tools and Case Studies Randy Severson, EMT-P <i>Altru Ambulance Service</i>	Session I Mission: Lifeline STEMI System Development: South Dakota Hospital Perspective Jodi Doering, RN South Dakota Mission:Lifeline Director <i>American Heart Association</i>
12:30 p.m. - 1:15 p.m.	Session II Stroke Anatomy and Physiology Time Windows for Stroke Interventions: Jerilyn Alexander, RN, BSN <i>Trinity Hospital</i>	Session II How to Optimize Your ED DIDO (Door-In-Door-Out) Times and Protocol Development PCI Receiving and Referral CAH Perspective Janna Pietrzak, RN, BSN <i>Sanford Health</i> Alana Wendel, RN <i>Mercy Hospital</i>
1:15 p.m. - 2:15 p.m.	Time Critical Diagnosis - EMS and Hospital: Connecting the Links Dr. Jeffrey Sather, FACEP, Medical Director Department of Medicine <i>Trinity Hospital</i>	STEMI Reperfusion Strategies: How Far is Too Far for Primary PCI Dr. Thomas Haldis, FACC, FSCAI Medical Director of Cardiology Services <i>Sanford Health Heart Hospital</i>

2:15 p.m. - 2:30 p.m. Break

2:30 p.m. - 3:30 p.m. Round Table Question and Answer Session with Expert STEMI and Stroke Panel

AGENDA

3:30 p.m. - 4:15 p.m. Panel Discussion: Advocacy's Role in Stroke and STEMI Systems of Care Sustainability

4:15 p.m. - 4:30 p.m. Closing Remarks and Evaluations

Mindy Cook, RN, BSN
ND Mission: Lifeline Director, *AHA*

Susan Mormann, BA
Systems Strategy Specialist / CDC Grant Program Manager
North Dakota Department of Health

TRAVEL SCHOLARSHIP INFORMATION

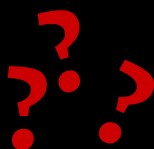

Travel scholarships are available on a first come, first served basis for conference participants until all available funds are awarded.

Travel scholarships are intended to provide support so people attending the conference from distances of 50 miles roundtrip or more may get help in making travel less difficult due to budget constraints.

If there is more than one person from your organization that is attending the conference we ask that you please plan to travel together whenever possible.

Travel scholarships will reimburse costs associated with mileage, meals and/or hotel lodging costs. All travel costs will be calculated using the current state rates. Awards for hotel reimbursement will be at the state rate of \$69.30 plus tax.

To access the travel scholarship guidance and application form, [go to www.ndhealth.gov/heartstroke/events](http://www.ndhealth.gov/heartstroke/events) as soon as possible.

For more information on travel scholarships, contact Carleen Scherr at 1.800.280.5512 and press 4 for assistance.

CME/CE ACCREDITATION

Continuing Medical Education Accreditation

- **Physicians**

The American Heart Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Heart Association designates this live activity for a maximum of 6.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All persons who develop and/or control educational content in CME/CE activities sponsored by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CME/CE-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials.

- **Physician Assistants**

AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by ACCME.

- **Nurses**

The American Heart Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. The maximum number of hours awarded for this CE activity is 6.00 contact hours.

Accredited status does not imply endorsement by the American Heart Association or the American Nurses Credentialing Center of any commercial products displayed in conjunction with an activity.

- **Emergency Medical Services**

This continuing education activity is approved by the American Heart Association, an organization accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS), for 6.00 Advanced CEHs, activity number 11-AMHA-F1-0134.

CME/CE ACCREDITATION

Attendance Verification Required

To successfully complete this activity, learners must fully participate in the sessions.

In addition, learners must provide feedback that will be used for evaluative and outcomes measurement purposes.

Learners will check-in on-site for attendance verification purposes and will be required to provide evaluative feedback before CME/CE credit can be claimed.

ACCOMMODATIONS

For your convenience, we have reserved a block of rooms at a discounted rate of \$99 per night plus applicable taxes.

To get the discounted rate you must **call** the hotel and ask for the “STEMI and Acute Stroke Conference” block of rooms.

If rooms are booked online the Best Western only provides the best available rate and not the American Heart Association block of rooms rate.

To reserve a room, contact the hotel at the phone number listed below:

Seven Seas Hotel and Waterpark
800.597.7327 (toll free)
701.663.7401

Call today and make your lodging arrangements.

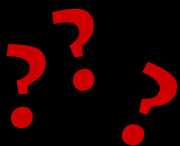

REGISTRATION

***This is a FREE event,
but registration is required.***

The conference is free of charge; however, registration is necessary to plan appropriately for meals, handouts and continuing education credits. The American Heart Association will be providing CEUs and CMEs for physicians, physician assistants, nurses and EMS professionals.

This link - learn.heart.org - will take you to the American Heart Association PEC (Professional Education Center) website where you will need to create a free user ID and password if you do not already have one (remember that if you have attended prior conferences you probably have an existing login).

Click on “**Course Catalog**.” Go to Delivery Method and click “**View**.” Next find Conferences, Workshops and Symposia and click “**View**.” A list of event options will appear. Find event [4408 – 06/14/12 – Mandan, ND – Mission: Lifeline STEMI and Acute Stroke](#) in the list of options and click “**Enroll**” to register.

For questions contact: Angela McQueen
American Heart Association
